

City of Attalla Building Permit APPLICATION

Procedure:

1. This application should be filled out and submitted to the city along with:

A plan or plat drawn to scale and showing the following, in sufficient detail, to enable the building inspector, or the city, to determine whether the proposed work is in conformance with the zoning ordinance and building codes of the City of Attalla:

- a.) The actual shape, proportion, and dimensions of the lot to be built upon.
- b.) The shape, size, and location of all buildings, or other structures, to be erected, altered, or moved, and of any buildings already on the lot.
- c.) The existing and intended use of all such buildings and structures.
- d.) Detailed plumbing and electrical drawings.
- e.) Copy of the property deed.

2. In addition, the applicant should become familiar with the provisions of the zoning ordinance which pertains to the district in which the construction will occur. These regulations will be provided upon request.
